

# **Rigas Valda Avotina pamatskola – attistibas centrs teachers about participation in Erasmus Plus project:**

**This project gave opportunity to get new experience and new knowledge about methods to prevent bullying in the class.**

**I am happy to travel to the countries I have not been. It was wonderful opportunity to learn about others cultures and educational systems. I had new experience I want to try in my class.**

**As I have language barrier, I participated only in the schools activities, but it was so useful. Thanks to the colleagues for translating the project materials.**

**It was opportunity to establish cooperation with foreign schools and teachers, its useful for future.**

**Every meeting gave positive emotions, new contacts. Everyone was hospitable and had successful cooperation. I got new practical skills and little bit of improving professional work.**

**Erasmus Plus project was opportunity for development and saring experience. Our teachers made interesting activities and tried new team work methods.**

**I was happy to have a possibility to practice my English. I have desire to improve my English skills.**

**I got new and useful theoretical knowledge, I am planning to use it in my class work to prevnt bullying, to make more friendly sence in my class.**
